

## School of Nursing Clinical Incident Form

For any adverse event please complete the following incident form including the student reflection and learning questions and submit to the Clinical Placement Coordinator via email at [nursing@nipissingu.ca](mailto:nursing@nipissingu.ca) or in person to the School of Nursing Office A201.

This form is to record adverse events that impact the student (e.g., fall/ needle stick injury) or those where a student's actions may impact or cause harm to a patient (e.g., medication error, fall).

**For any adverse event** (injury to self or others)

- 1) Seek medical attention if required
- 2) Ensure you have met the Nipissing University's School of Nursing Policy and Placement Agency Policies for reporting an adverse event
- 3) Please complete all that apply, including the Student Learning and Reflection Section on the page 4

**Student(s) Reflection and Learning**

Provide a detailed description of the adverse event. What were the contributing factors to the event? Reflect on individual, procedural, environmental, and system level factors:

What were the potential outcomes to your patient that did or could have resulted from the incident?

What have you learned about yourself, your nursing practice, and the environment in which you are practicing?

How could an event like this be prevented in the future?

**OFFICE USE
