

Purpose

Normally your parent's 2017 income information is used when assessing your 2018-19 OSAP Application for Full-Time Students. Use this form to request that your parent's estimated 2018 income be used instead of their 2017 income in the assessment of your 2018-19 full-time application.

You can make this request if your parent's financial situation changed in 2018 because of unexpected and/or one-time circumstances, such as:

- loss of full-time employment and/or new employment at a lower pay rate;
- illness, accident or retirement; and/or
- receipt of a severance package, insurance settlement or other one-time income payout.

If this request is accepted, your parent's 2018 estimated income will be used to determine your eligibility for Canada-Ontario Integrated Student loans and Ontario grants.

In order to complete this form, you must have already submitted a 2018-19 OSAP Application for Full-Time Students.

Required documents

Your parent must provide a letter explaining the unexpected and/or one-time circumstances that caused a difference between their 2017 and 2018 income. This letter must be signed and dated by your parent.

Your parent must also provide documentation (e.g. letter from employer, legal documents) that supports their 2018 income estimate and the circumstances outlined in their letter.

Verification of income

The ministry verifies income information provided for your application. If parent's 2018 income can't be verified with the Canada Revenue Agency (CRA), they must complete the 2018-19 Parental Income Verification: Canadian Non-taxable and/or Foreign Income form.

If the ministry cannot verify your parent's income within 12 months from the start of your 2018-19 study period, any Ontario Student Grant you receive may be converted to a loan that you must repay.

- I understand that I am responsible for providing all required supporting documentation as indicated on this form or as directed by my financial aid office or the ministry.
- I understand that my OSAP application will be reassessed based on my parent's estimated income provided on this form. This estimated income is being used because non-recurring and/or unexpected circumstances have occurred and my parent's prior year income may not accurately reflect our family's current income situation.
- I understand that the ministry will verify my parent's 2018 estimated income with Canada Revenue Agency (CRA) or through other means when income information becomes available.
- I understand that if my application is reassessed after my parent's 2018 estimated income is verified, it may affect my eligibility and the type and amount of financial assistance I may receive.
- If I received financial assistance in excess of my entitlement, I will be responsible for the repayment of the amount of excess financial assistance received and I acknowledge that any future amount of financial assistance I am entitled to receive may be reduced by the amount owed.

I understand that any Ontario Student Grants that I receive may be converted into loans if I do not meet the terms and conditions of the grant under the *Ministry of Training, Colleges and Universities Act*. In particular, if I withdraw from full-time studies within the first 30 days of my study period, if the income I have reported, or my parent(s) have reported, cannot be verified to the satisfaction of the Minister, or if a reassessment results in a determination that I am no longer eligible for the Ontario Student Grant or that I am no longer entitled to the amount of the Ontario Student Grant received.
