

## **Pounding hearts. Tensed muscles. Adrenalin pumping. And those are just the fans!**

Join the excitement of a winning season and partner with the Nipissing Lakers. Sponsorships help offset the cost of training programs, travel, and equipment – areas that have a direct impact on our student-athletes' ability to reach their competitive potential. Nipissing Lakers athletes are also exemplary students and participate in many community-building activities. They are student ambassadors and the leaders of tomorrow; a spirit that continues long after graduation. Your support will help to build this life-long commitment to excellence.

Each sponsorship package is tailored to maximize brand recognition and visibility. By selecting either our men's or women's packages for your favourite sport, you can show your Lakers pride and invest in excellence, our community, and education!

To tailor your sponsorship package to better fit your business needs, please contact Logan Buckton [loganbu@nipissingu.ca](mailto:loganbu@nipissingu.ca) and she can assist.

### **Visibility:**

- 259 student athletes
