2025 Supplemental Application Instructions

The PhD in Education program will prepare students from a variety of fields including, but not limited to, education, health, social work, social justice, and administrative leadership for sustainable educational practices in the 21st century. Through a variety of courses, a comprehensive exam and a research dissertation, the PhD program in Education will allow you to assume an investigative stance in regard to teaching and learning. Outside of the summer residency all other courses are offered online only. For international applicants only, please note that this program does not meet the requirements for a Study Permit. Make sure you check on the immigration requirements to attend the North Bay campus for the summer residency program.

Preference will be given to applicants whose master's degree includes an independent research component such as a thesis or major research paper.

REQUIRED SUPPLEMENTAL DOCUMENTATION:

(Due January 22, 2025, at 4:30 p.m. EST)

Please submit transcripts, letters of reference and other supporting documentation after you have submitted your online application. Nipissing University cannot verify receipt of transcripts and supporting documents if we have not received your application. You may paperclip your documents. No staples or folders please. Do not bind documents in any other manner.

1. Online application and fee. The online application can be accessed from our website: www.nipissingu.ca/registrarforms. The base application fee will be paid online through the application. Additional transcript fees may apply.
2. Official undergraduate and graduate transcripts from all institutions attended, including those attended on a Letter of Permission or exchange program. High School or College (diploma programs) transcripts are not required. A copy of the transcript from an exchange program can be sent directly by your host institution to Nipissing University if they are willing to do so, otherwise an official transcript must be sent directly from the university where the exchange program was held. See the Transcript section for further information.
3. Two (2) confidential academic recommendations from professors **OR** other appropriate professionals who can speak to the applicant's level of preparation and readiness for graduate studies. The references must be from someone qualified to address the academic ability and competence of the applicant to undertake graduate studies. References cannot be completed by anyone who is personally related to the applicant. Recommendations are to be confidential; therefore, **they must be mailed in sealed envelopes with the referee's signature over the seal or emailed by the referee using their professional email address and sent directly to admissions@nipissingu.ca**. The Confidential Recommendation forms are included in the application package. **Please indicate to your referee that a comprehensive letter included with the recommendation form would be most beneficial in determining your eligibility for admission.**
4. Proof of completion of a Thesis or Major Research Paper at the Master's level. **You do not have to submit your actual thesis. Submitting a copy of the thesis signature page only or ensuring your thesis is referenced on your transcript is sufficient.** If a Thesis or Major Research Paper was not completed for your Master's degree, a sample of evidence of scholarly writing (written in English, not translated) must be submitted.
5. A comprehensive résumé detailing your educational and professional experience. Please include scholarships and awards, significant academic accomplishments, internships, research projects, involvement in student organizations, volunteer work and publications and presentations.
