Welcome to Nipissing University

Congratulations! I am grateful that you have accepted our Offer of Admission to pursue a Nipissing University Business degree through our Distance Program. With this decision, you will join the ranks of Nipissing's many successful students and accomplished alumni.

At the heart of the Nipissing experience is our commitment to personalized learning; this is one of our defining strengths and is at the root of our consistently high rankings in the Globe and Mail University Report. Your course instructors are highly regarded teachers, researchers and professionals, and you will have the opportunity to work closely with them. Nipissing's student-centered approach will be evident in your interactions with faculty and staff; they will care about your success and want your learning experience at Nipissing to be exceptional and rewarding.

If you did not take grade 12U math courses calculus and vectors, advanced functions and data management, or you may have taken those courses a while ago; we are offering a free math prep course. ADMN 0010-Math Prep runs for 6 weeks beginning Tuesday, July 16, 2024. Register for this free course in WebAdvisor, course code: ADMN 0010-SU841. The textbook for the free math prep course will also be used in your business math course. Delivered live-online (SYNC) from 6:30pm-9pm one evening each week. You log into your computer using Blackboard and watch the live lectures. Developed to assist college graduates who did not take all the grade 12U math courses to learn the concepts needed throughout your business degree. There is no attendance requirement (participate in some or all lectures), no testing, (except self-testing), no exams and no cost to you. This is not a credit course towards your degree.

Your School of Business Registration package is found on the School of Business, Bachelor of Commerce Distance page. Scroll down to the menu bar and choose Current Students, Registration Packages. Please review the Registration Package and Student Guides for important and useful information to being a Nipissing BComm student. Please plan to attend your New Student Orientation (NSO) Q&A online; the link is found on the BComm Distance webpage, [Bachelor of Commerce-Distance Learning](#) | Nipissing University. You will learn strategies to help you plan your courses each semester, how to access resources and be successful as a business degree student. There is also a university online orientation that you can attend and the link is found on MyNipissing.

A wonderful learning opportunity awaits you and you are about to experience some of the most challenging but rewarding times of your life.

Sincerely,

Dr. Siva Prasad Ravi
Director, School of Business, Nipissing University
