

Congratulations on your Offer of Admission!

Schulich School of Education – Fall 2025

WHAT DO I DO NOW?

Carefully read your Offer of Admission information so you understand your Offer of Admission, all conditions attached to it, and all important deadline dates.

HOW CAN I CHECK THE STATUS OF MY APPLICATION?

“MyNipissing” is a valuable online information tool, and we encourage you to regularly check WebAdvisor in “MyNipissing”. It will indicate when we receive your acceptance from the Ontario Universities’ Application Centre (OUAC) and when we receive all required documents and your deposit. Information on how to access “MyNipissing” was included in your acknowledgment email that we sent to you when you first applied.

HOW DO I ACCEPT MY OFFER OF ADMISSION?

Accept your Offer of Admission on the Ontario Universities’ Application Centre (OUAC) website www.ouac.on.ca/teas. You will require your OUAC username and password. It is important that you print or record your OUAC confirmation number after you have accepted your offer of admission. You **must accept by March 7, 2025, and submit your Practicum Registration Form** to Nipissing University by **March 7, 2025**. You must also submit a **non-refundable \$500.00 deposit by June 2, 2025**. Late responses and late deposits will not be accepted.

WHAT DOES IT MEAN IF I HAVE A CONDITIONAL OFFER OF ADMISSION?

If you currently have required courses in progress, or have not graduated, your offer will be conditional upon successfully completing your courses and/or degree. You must forward us a final official transcript by **June 30, 2025**, showing all courses are completed **and/or** your degree has been awarded. Students from Ontario universities should order their transcript through www.ouac.on.ca/teas. If you need a transcript showing that you have graduated to meet your conditions, be sure to indicate **“after degree conferred”** on your transcript request. You must contact your university directly for all transcripts from universities outside Ontario. Nipissing University students do not need to send us a Nipissing transcript.

I HAVE RECEIVED AN OFFER OF ADMISSION TO A DIFFERENT DIVISION THAN I APPLIED TO. IS THIS CORRECT?

Yes. If you were not eligible for admission to the division and/or teaching subject you applied to, but you were eligible for another division or teaching subject, then we made you an alternate offer to that program. Please note that alternate division consideration only occurs for one division lower than what an applicant has applied to. In rare cases, an applicant to Junior/Intermediate may be considered for Intermediate/Senior provided they are able to meet the requirements for two teaching subjects. Further information can be found at www.nipissingu.ca/office-registrar//bachelor-education-alternate-offers.

I WAS NOT ADMITTED TO ONE OF MY APPLICATION CHOICES. WHY DID I NOT RECEIVE AN ALTERNATE OFFER?

There could be many factors that contributed to this decision. First and foremost, it more than likely was that you either did not meet division requirements, teaching subject requirements or both. We would have reviewed your application for an alternate teaching subject and/or division. For teaching subjects, there may not have been another option available. For divisions, alternate division consideration only occurs for one division lower than what an applicant has applied to. In rare cases, an applicant to Junior/Intermediate may be considered for Intermediate/Senior provided they are able to meet the requirements for two teaching subjects. Further information can be found at www.nipissingu.ca/office-registrar//bachelor-education-alternate-offers.

- submit your non-refundable deposit by **June 2, 2025**; and/or

Transcripts from Ontario universities must be ordered through OUAC. If you need a transcript showing that you have graduated to meet your conditions, be sure to indicate “**after degree conferred**” on your transcript request. You must contact your university directly for all transcripts from universities outside Ontario. Nipissing University students do not need to order a Nipissing transcript.
